## **Let's Talk About Judges....**

First, we want to thank all of our judges at the Plumas-Sierra County Fair. What many people are not aware of, is that most of these people carry on lives as teachers, small business people and professionals. They truly do this work for peanuts. What they all share in common, is a passion for their area of expertise. They bring experience and expert knowledge to the process and we are lucky they are willing to share it with us.

That being said, in most cases, their decisions are subjective. We may not like, or agree with those decisions. Please don't let that stand in the way of your support and participation of the Fair. Especially for our kids... let's teach them to take the advice and direction from these people and use it to improve their efforts. That's really what this whole "fair thing" is about.

At the Plumas Sierra County Fair, we try to keep a judge for no more than two years in a row. Are their exceptions? You bet! Sometimes we get a gem of a judge who everyone respects and likes. Those people might be kept for a year or two longer. Also, we sometimes have to get whoever is available, and that might extend a stay. Finally, whenever we can, we try to use local judges, especially for youth or low participation divisions. These are like the Little League coaches that get roped into taking over the team. They are here to help, and deserve our respect and gratitude.

If you have ideas or thoughts on our judges, please contact John at the Fair Office. We still want to hear your comments about any of our judges, good or bad. Plus, we always need clerks, so volunteer for that as well!
