This exciting event brings the everyday tasks of ranchers and cowboys to the competitive arena. There's more than money at stake in this competition; there's pride and bragging rights!

### Junior/Senior Mixed Branding

Each team must have at least one member who is either a female, 17 years or younger or someone 65 years or older. One person remains mounted while the other two work the ground.

### Open Ranch Rodeo

Three person teams must compete in all three events.

**Team Branding**-Each team will be required to brand three calves, with each member having to head a calf, heel a calf and work the ground.

**Team Sorting**-Fastest team to sort a designated group of animals out of a herd through two barrels.

**Team Doctoring**-Teams will sort a designated animal out of the herd and through two barrels, then head and heel the animal, with the member who didn't rope having to change the rope.

## **IMPORTANT NOTICE**

Due to lack of staff, we require those who use the horse stalls to leave them clean after their use. All bedding and manure needs to be removed and transported to the designated manure pile. All signs and staples need to be removed. Failure to do so will result in your being charged for clean-up.
