Magic of Country Living…..

Usually, magic involves pulling things out of something; a rabbit out of a hat or a pigeon out of a box. When it comes to Plumas and Sierra Counties, the magic draws things in; visitors to our natural beauty or friends and relatives to visit family. Our theme this year was chosen to draw attention to all the magical things that make our community such an appealing magnet!

A county fair is all about spotlighting what a community has grown, made or raised. Yes, there is always the carnival and entertainment, and those can seem awfully magical. But the true heart of the fair is all the exhibits entered by your neighbors. I invite you to thoughtfully consider each of our exhibit areas this year. Walk slowly through the floriculture building and look at what people have grown here, some of it is absolutely amazing. There is no need to feel foolish ooooing and awwwwing over a cob of corn, the truth is it's not easy growing corn in our counties. Let's celebrate that.

We have made a special effort this year to get more people to enter the fair. Of course it helps the fair to have many exhibits, but the person it most benefits is the person entering. You may not ever have the time or energy to write that novel, or take the effort to speak a foreign language, but every year you have the opportunity to enter your famous Kahlua cake in the fair, and maybe win a ribbon! People speak of their experience in entering the fair for years, why not be part of that? If you still don't think you want to enter something, please encourage your children to do so…. a drawing, their sugar cube California Mission, or their Angry Bird collection. It's a memory they will remember their entire life.

Finally, I want to thank everyone who supports the fair. Last year, almost $1000 was donated to the fair by people that donated back their premium winnings or added a donation to their entry fee. We use that money to do things like hire our barn supervisors and buy ribbons. Anything is appreciated.

I'm lucky enough to work with a very dedicated group of employees and volunteers. I'm proud of the product they put out year after year. We can't do it without your participation and support, so I guess I'm proud of you as well. When everyone comes together to put on an event like the Plumas Sierra County Fair, it's downright magical!

Volunteers

A community event the size of the Plumas Sierra County Fair relies heavily on volunteer labor. During the Fair, we look for help in the following areas:

Monitoring and answering questions in any of the exhibit buildings

Conducting demonstrations of your special skills

Staffing the information booth

Strolling the grounds to direct people to where they want to go, answer questions, and be the eyes and ears of the Fair

Assisting the judges as a clerk

Receiving and placing exhibits

Grandstand event set-up and security

Coordinate information to vendors and Entertainers

Set up for entertainers

Volunteers receive a week-long pass to the Fair and any other goodies we can dream up. Mostly, the pay comes in the form of helping put on the most loved event in our community. Contact the Fair office today and let us know when you're available and what you would be interested in doing. Thank you.

Agriculture-Horticulture Guidelines:

- Exhibits will be displayed in the Floriculture Exhibit Building and must be grown by exhibitor.
- All **junior exhibitors** must be 17 years old or under as of Jan. 1, of current year.
- The Fair will not be responsible for return of agriculture/horticulture exhibits.
- Entries will be judged according to the commercial maturity standards. The quality desired in agricultural and horticultural product exhibits is the quality that brings the best financial return in the commercial market. Such exhibits must be as mature as that stage of ripeness required by Section 42513 of the California Agriculture Code in order to be considered for premium awards. **Consideration will be given for fair time and expected maturity.**
- Exhibits stressing features, which detract from the commercial value of any produce, are undesirable and should be avoided. Any frozen fruit or vegetables will be disqualified.
- Unless otherwise specified, the type of vegetables desired for exhibit, will be a uniform commercial grade rather than overgrown. Monstrosities will not be considered for premium awards.

Section 42512 – Mature – having reached that stage of ripeness which will insure the completion of the ripening process to a degree which will insure palatability after the removal of the product from the tree, plant or vine.

Section 42515 – Overripe – having an advanced state of maturity which causes the product to be undesirable for human consumption in a fresh state.

All Local Rules and State Rules apply to this entire Home Arts Department. Copies of the State Rules may be obtained at the Fair Office or at www.plumas-sierracountyfair.net.

Rules & Regulations for Clothing & Textiles:

All entries in these divisions must have been home-produced by the exhibitor(s) within two years (five years for quilts, crocheted or knitted bedspreads and table clothes) of the opening day of the Fair and not previously entered in the Plumas-Sierra County Fair to be eligible for premium awards.

Exhibits must be adequately and correctly labeled, clean, pressed and ready for display. Please include tag with name, Division #, and Class # for each item entered.

Measurements of each Quilt entry must be stated on entry form. The first three placings in each class are guaranteed to be displayed, all other entries will be displayed as space allows.

Each wall or bed quilt entry must have a 3" sleeve (a tube of cloth) affixed to the top back across the width by either sewing thread or safety pins in order to hang the quilts by dowels.

All picture entries must be framed and ready for hanging to be accepted for exhibit.

Amateurs: A person whose return from sale, if any, does not exceed the cost of all materials and who are not otherwise remunerated on account of engaging in this work except by cash prizes or premium awards. One who does not pursue the craft as a professional.

Professional: A person who engages in an event or activity as a livelihood or for profit rather than a hobby.

The Fair will not assume any responsibility for exhibits left on Fairgrounds more than 12 hours after closing of Fair.

OUR VOLUNTEERS DO AN EXCELLENT JOB AT DISPLAYING OUR RESIDENT'S BEST WORK, HOWEVER, SOMETIMES THERE ARE LIMITATIONS ON SPACE AND NOT EVERYTHING CAN BE SHOWN TO EVERYONE'S SATISFACTION. PLEASE BE UNDERSTANDING AND KNOW WE TRY OUR BEST.

4-H/FFA Livestock/Horse Red Tag Policy :

Purpose: To ensure that livestock exhibited at the Plumas-Sierra County Fair are cared for and treated in a humane and ethical manner, and that livestock pens are suitable for public display.

Policy: Livestock exhibitors are solely responsible for the care of their animals. If the Barn Supervisor or Livestock Superintendent is aware of any livestock exhibit that is not being cared for in an ethical, humane manner, or maintained as determined by the livestock management staff, the following will occur:

The Barn Supervisor and Livestock Superintendent will determine the name and affiliation of the exhibitor.

A Red Tag, with the following information, will be affixed to the exhibitor's pen: exhibitors name, observed problem, date and time of the citation, and Livestock Superintendent or Barn Supervisor signature.

The exhibitor must contact the Livestock Superintendent within 12 hours of the citation being issued with an approved plan of action. Reasonable efforts will be made by the Livestock Superintendent or Barn Supervisor to contact the exhibitor's FFA advisor, 4-H Leader, Parent or Designee and make them aware of the situation resulting in the Red Tag citation.

Any exhibitor failing to make contact with the Livestock Superintendent or Barn Supervisor within 12 hours may be issued an automatic second Red Tag Citation.

Any exhibitor receiving two Red Tag citations during the Fair will be declared ineligible for further competition or selling at the Jr. Livestock Auction.
